Client Feedback

Your Comments

We greatly appreciate the opportunity to have worked with you and your spouse, former spouse or co-parent.

We would very much appreciate learning from you how we did! Our present approach includes the invaluable lessons learned from thirteen years of listening to our clients. Many of our potential clients tell us they also benefit from our former clients' comments.

Of course, we welcome positive experiences and learning of what we did especially well. But we also wish to hear of how we can improve future clients' experience with us in the family or divorce mediation process.

What Our Clients Say

"Given the emotionally charged subject matter, the environment and atmosphere in our mediation with Divorce Resolutions® felt surprisingly comfortable and safe. It became more like a private business meeting than a cold gathering of adversaries."
- R.M.
